Honorable Allen J. Ellender
United States Senate
Washington 25, D. C.

Dear Senator Ellender:

Thank you for your letter of 16 July enclosing an application form and a summary of qualifications for Mr. [REDACTED]

STAT Mr. [REDACTED] was interviewed regarding employment with us in October 1962 and completed an Agency application form for our consideration at that time. This material and supplementary data which he supplied were carefully reviewed by appropriate operating officials of the Agency but there was no opening which would accommodate his employment with us.

STAT Mr. [REDACTED]'s file has been reconsidered recently in response to an inquiry on his behalf from Senator Kenneth B. Keating but no new requirement had developed which would provide an opening commensurate with Mr. [REDACTED] qualifications and background.

STAT We appreciate Mr. [REDACTED]'s offer to be of service to this Agency and shall retain his file in an active status for review in the event a suitable vacancy should develop. However, based on a current forecast of our personnel requirements, there appears to be little probability that such a position might become available in the immediate future.

Your interest in writing to me about Mr. [REDACTED] was appreciated and we shall advise you if an opportunity for his employment with us should develop at some future time.

Dear Mr. Stratton:

In view of your interest in Miss [] we are writing to advise you of the status of her application for employment with us.

STAT

Miss [], having graduated in June with a major in Sociology, was originally interested in being considered for a position in that area. However, we were unable to locate a position for her in that field and our representative called her to ask if she would be interested in being considered for a secretarial position.

STAT

She has since then informed us that, after due consideration, she has decided that secretarial work is too far removed from her field of education.

We appreciated your referral of Miss [] and should an opening occur in the area of her interest, we shall be pleased to give her every consideration.

Sincerely,
